

## **Sr. Air Quality Engineer**

Are you an engineer seeking a new challenge with a well-established and reputable consulting firm? Meridian Energy & Environment, LLC is seeking candidates for a position in our Charleston, SC, office. We welcome expressions of interest from exceptional engineers to work on our environmental engineering and industrial process engineering projects.

Ideally you will have solid engineering and problem-solving skills. You can expect to work on a broad range of projects including air pollution control, engineering analysis, design, and remediation/construction-related work involving a variety of environmental-related projects.

- Complex technical work to obtain South Carolina Department of Health and Environmental Control air permits and ensure compliance with environmental requirements for various industries
- Complete air quality assessments, including data analysis, emission inventory, and due diligence evaluations
- Air pollution control technology design and implementation
- Complete air quality assessments, including data analysis, emissions calculations, and permit eligibility evaluations
- Business development and client support
- Prepare proposals

The successful applicant will have:

- A Bachelor's (Master's degree or higher preferred) in Civil Engineering, Environmental Engineering, Mechanical Engineering, or Chemical Engineering
- 5-10 years' relevant experience related to chemical, manufacturing, or power industries with preferred experience in air pollution control permitting and/or design
- Ability to work independently to develop approaches to solutions and obtain management approval for implementation
- Experience with air modelling preferred
- Self-motivation
- Strong verbal and written communication skills
- Solid computer skills
- Outstanding people management and project execution capability
- Registered as a Professional Engineer in South Carolina or ability to become registered within 18 months

To confidentially apply for this position, or for further information, please contact Ms. Jennifer Metts at [jennifer.metts@meridiane.com](mailto:jennifer.metts@meridiane.com) or fax to 843-793-1505. Meridian Energy & Environment, LLC. is an EQUAL OPPORTUNITY EMPLOYER.
